The Associations Incorporation Act (1981) requires that a member register be kept, be freely available to all members and that members are able to copy information from the register.

The Act also exempts the Guild from Privacy Laws, however, the committee considers it reasonable that you give your consent to your contact details being made available to other entities e.g. equipment suppliers, other guilds, etc (at the discretion of the Guild committee).

**I consent to my details being provided to other parties**
