

Steering Committee 6 October 1970 (inaugural meeting)

R J Armstrong

G Evans

A W Stone

### **AGM No. 1 – 2 March 1971**

First Official Committee Meeting Held 16 March 1971

President	R (Mick) Armstrong
Secretary	Gordon Evans
Social Secretary	Mrs B Millar
Treasurer	H Walden

Various minor committee positions have been added to the committee over the years these include social secretary, public relations officer, supplies officer, etc. These positions have not been listed due to lack of time (motivation?).

After incorporation (1990) the composition of the committee was determined by the 'modified model rules' required by the Department of Justice (consumer Affairs Victoria). The executive positions (office holders) adopted were:

- President
- Treasurer
- Secretary

The committee consists of the officers (above) plus 4 'ordinary members' who may be elected at the AGM each year. Informal positions may be adopted in excess of this but they hold no recognised position.

Since changes to the Associations Incorporation Act were adopted in 2012, the previous 'Public Officer' for Act purposes has been re-titled 'Secretary' and we have assigned the title 'Association Secretary' to distinguish the role from that of the 'committee secretary'.

There is no need to adopt the new model rules at this stage, unless we change the rules/constitution and then the 2012 rules and other aspects will have to be adopted.
